

## *ISGH Election Commission 2018*

### Preliminary List of Nominees for Non Area Rep Positions

This list of nominees for At Large, Zonal Director, & Associate Director positions is based on the best information available to EC at the time of release and should be considered a PRELIMINARY list only. The process of assessing the qualifications of these nominees as per the ISGH Constitution & Bylaws is a tedious process and it continues.

There are several qualifications checks that need to be made by EC and there is no guarantee that every name appearing on this list has passed all qualification checks at this time. Several of these qualification checks require for EC to have or obtain information that is not readily available, or EC is awaiting response to its request(s). This is particularly true for checking up on Term Limits and qualifications pertaining to previous experience, including service on any of the ISGH Committees.

As this process progresses, it may be necessary to make alterations to this list. EC reserves all rights to add or remove names from this list and to make any other corrections, additions (or deletions) and any other alterations as EC deems necessary at any time before balloting, or, if needed, even after the elections before EC is dissolved.

A nominee whose name appears on this list may withdraw by submitting a written request to EC. The deadline for withdrawals is 12 Noon on November 11, 2018. EC representatives will be available at ISGH Main Center from 11 AM onwards on that day.

Anyone who has been nominated for multiple positions **MUST WITHDRAW** from all **BUT ONE** position. If a nominee fails to do so by the withdrawal deadline, he/she will be removed from all but one nomination at the discretion of EC. Similarly, there are strict rules about “Prohibited Relationships” that restrict concurrently holding ISGH offices by members who are related to one another. Please do understand such restrictions and withdraw accordingly if you and relative(s) of yours are nominated, or relative(s) of a nominee already holds ISGH office(s).

Any nominee for multiple positions should be cognizant of the fact that this is a **PRELIMINARY** list and there is no guarantee that his/her name will otherwise appear on the final list when all qualifications checks have been completed. Therefore, please be sure of your qualifications prior to withdrawing due to multiple position nominations

Please note that some of the nominees on this list may also have been nominated as Area Reps from their respective zip code(s). Rule prohibiting multiple nominations also include Area Rep positions. So, please do also consult the list(s) of Area Rep nominees to avoid being disallowed from position of your choice due to not following multiple nominations rule.

All Nominators & Nominees should be fully aware of various requirements for respected positions.  
“Ignorance of Law” is/will NOT be an acceptable excuse for subsequently disqualified Nominations.
