Previous Leadership Experience *

What experiences in your personal, professional or political life have helped shape you and made you the person you are today? Discuss your titles, community and civic work, awards and other offices you've held. How do those experiences translate into being a better candidate for the position you are running? Don't just create a laundry list of accomplishments, but work your experience into a larger narrative. A little bit about you personally goes a long way. Voters want to know about you, but maybe not every detail of your life. Include both personal and professional content that helps provide a rounded idea of who you are.

My honesty, positive attitude, helping others, sincerity and humorous personality make the person I am today. ISGH Director 3 times and Treasurer of PAGH. Advisers for committees like membership, fundraising specialist and helping poor by distributing food and supplies for some years. I feel I am a better candidate as I exactly know the job of duties and responsibility of G.S. model ISGH Constitution. My vast managing experience will definitely separate me for competition as better candidate.

Goals *

Please list three most urgent issues you will tackle first if you are elected for your position

1. I try to eliminate grouping for ISGH for election purposes. Only select person who is capable of handling the position the person is running for.
 2. Correct membership list and update every 3 months for correct infrastructure, TL, and address etc.
 3. Make election process easy and accessible to every voter especially seniors.

What do you want to accomplish during your time in office? Perhaps your goals can relate to previous accomplishments in your life. Use some examples if you can. Take a situation and how you handled it and use it as a template for this section.

Why we are in this world. Just one purpose to serve humanity and ISGH is the correct forum. For me being involved in ISGH affairs for the last 40 years, I can accomplish my goals easily. For example, I arranged carnivals which brought 500 people. 1996 and raised funds by tickets with my fundraising specialty. I generated more than \$ 300,000 for ISGH in different mosques.

Final Thoughts *

End on a strong note. Finish your candidate biography with a strong statement about your purpose for running and what you hope to accomplish in the office you seek. Be inspirational and specific.

My purpose for running is to unite community. As I believe in "Where there is a will, there is a way" or in Urdu "Jinko manzil ki talab thi, saray manzil pohanchay jo tan asaan thay saharon se ulajhtay hi rahay." I am one of non-controversial person in the community and I think I can handle any difficult situation as I am in involved in ISGH for the longest period of time. I believe In sh Allah that I will accomplish my goals. I know the "Do's and Dont's" of ISGH which will ease my job, Jazak'Allah.
