Press Release

Appointment of ISGH Operation Director.

Please join us in welcoming Shazia Ashraf, M.Ed., as our new Operations Director. Sister Shazia comes to us with 15 years of experience as an award-winning educator and as a long-time volunteer for ISGH. She has consistently worked to build genuine community as the Chair of the Sisters Committee, through her service during ISGH's Hurricane Harvey relief, and in her work to bring support groups to spiritual spaces.

As Operations Director, Shazia will work to implement approved policies and procedures, bring the organization to operational excellence and oversee regulatory compliance. Under the guidance of the Executive Body, she will serve as a liaison between headquarters and elected officials, oversee staff training, and manage communication across the organization.

We ask the community to make Dua that this appointment is pleasing to Allah and beneficial for her, ISGH and the entire Houston community. Ameen.
