## **Announcement**

### **Houston Peace Academy's Future**

Dear Community Members,

السلام عليكم و رحمة الله و بركاته

The Islamic Society of Greater Houston has been in talks with the Spring Educational Foundation (SEF) to consolidate educational resources and facilities in the Northside of town. A Memorandum of Understanding (MOU) highlighting the provisions of the agreement was signed by both parties on March 29th, 2019.

While several provisions of the MOU were agreed upon, critical provisions were unfortunately not fully honored by SEF. ISGH affirms the provisions in the MOU were in the best interest of the community and we are disappointed that critical provisions were not fulfilled.

To better serve the community, we have decided to reopen Houston Peace Academy's Montessori Program in the Fall of 2019. We will continue to assess community needs to determine if other grades should be offered.

We thank you for your patience and assure you that more information will follow soon.

**Sincerely,**  
Sohail Syed
