Moon Khan

(SW Zone Director)

Assalamu Alaikum, my name is Amin Moon Khan. I am a resident of Greater Houston since 1984, a lifetime member of ISGH and Pakistani Americans of Greater Houston (PAGH), and a Muslim community activist. I previously lived in Karachi, Pakistan, where I did my Bachelor of Commerce and Bachelor of Law degrees from the University of Karachi. After graduation, I served in different capacities within Pakistan International Airlines. After arriving in Houston, I first joined my family's business, and then started my own successful enterprise in the automobile industry.

I have been civically engaged from a young age, my faith has always guided me to support my community. Initially starting off as a volunteer in PAGH and ISGH, I have gone on to work four times as an ISGH Election Commission Member, and am one of the founders of the Maryam Islamic Center. Most significantly, I have served two terms as Director of the ISGH Southwest Zone (which includes the Maryam Islamic Center). Above all, I am a family man with a strong work ethic with my heart always focused on how to uplift our diverse and growing community, and I will serve you all with integrity.

My goals as Director of the ISGH Southwest Zone:

As a team player, and with the help of the other board members, I will:

- **Unite our growing and increasingly diverse community**
- **Increase accountability of ISGH to our community**
- **Improve the transparency of ISGH to our community**
- **Create an open door policy for feedback**
- **Resolve the construction issues in the ISGH Southwest Zone**
- **Bolster youth involvement in issues important to ISGH**
- **Manage long term planning for ISGH Projects**
- **Revise and update the ISGH Constitution**
- **Resolve issues facing the ISGH membership more broadly**
