D. Special meetings of the Joint BOARD and COUNCILs may be called at any time by the BOARD upon two weeks' written notice stating the place, date, and time of the meeting and purpose or purposes thereof.

E. Subject to applicable notice requirements, a special meeting of the members (General Assembly), or a special meeting of the Joint BOARD-COUNCILs may also be held, to deal with urgent matters, by means of a conference telephone or similar equipment, or another suitable electronic communications system, including videoconferencing technology or the Internet or any combination of those means, if the system permits each eligible person participating in the meeting to communicate concurrently with all other eligible persons participating in the meeting. If voting is to take place at the meeting, reasonable measures shall be implemented by ISGH to verify that every person voting at the meeting by means of remote communication is sufficiently identified; and a record of any vote or other action taken shall be kept.

Section 7: Quorum

One-sixth of the eligible voting members shall constitute a quorum at any General Assembly regular or special meeting for matters other than amendments to the Constitution.

At all meetings of the General Body, regular or special, where a quorum is present, a majority of the eligible voting members in attendance at the meeting, shall decide any question coming before the meeting unless a greater majority is prescribed by statute or the charter of the Corporation or in the Constitution or as designated in Bylaws VII Section 8.

At all meetings of the BOARD, a majority of all BOARD members entitled to participate and vote shall constitute a quorum.

At all meetings (general or special) of the COUNCIL a majority of all elected Area Representatives and the Associate Director for that particular Islamic Center shall constitute a quorum.

At all meetings of the COUNCIL, regular or special, where quorum is present, a majority of eligible voting members of the COUNCIL in attendance at the meeting shall decide any question coming before the meeting unless a greater majority is prescribed by the Bylaws.

At all joint meetings of COUNCILs within a Zone, one third of the elected office holders shall constitute quorum and any business brought before the meeting where a quorum is present shall be decided by a majority of the eligible elected office holders in attendance at the meeting, unless a greater majority is specifically stated in the Bylaws.”

Section 8: Referendum

In the event that a quorum is not available at any general assembly regular or special meeting, the business at hand may be sent after a period of not less than 30 days to the General Body for referendum by actual voting at a general or special election, or by mail-in ballot. In the event an amendment to the Constitution is sent for referendum as a business at hand, then it must have been previously approved by the Board as well as by the Joint Meeting of the Board-COUNCILs with prescribed two-third majorities. A referendum by mail-in ballot shall be valid only if a majority of eligible voting members respond. A majority of responses to a referendum shall constitute a decision by the General Body, except in case of amendments to the Constitution the affirmative vote required for approval shall be at least two-third of the total votes cast in response to the referendum by actual voting at a general or special election. Upon dissolution of the Election Commission, all referendums shall be conducted by an independent committee appointed by the BOARD. The procedure for a referendum by mail-in ballot shall be as follows:

- i) A ballot stating the proposed amendment or transaction shall be mailed by the committee to each eligible voting member, with a confidential return envelope, postage prepaid, bearing a return address of the ISGH principal office. All ballots shall be sequentially numbered. Each eligible voting member shall personally sign the return envelope. The ballot shall not identify any member.
- ii) A final return date and time for receiving the ballots shall be specified on the ballot. The return date shall be not less than seven nor more than fourteen days after the mailing date. The return envelope containing the sealed ballot may be either mailed or hand-delivered to the ISGH principal office.
- iii) All sealed envelopes shall be opened and ballots shall be counted by the committee on the final return date and time for receiving the ballots. All BOARD members shall be invited to be present during the opening and counting of the ballots.
- iv) The decision of the General Body shall be immediately conveyed to the President.

Section 8A: Notice of Referendum

In the event any ‘business at hand’ item of a general or special meeting of General Assembly where requisite quorum was not available, is sent for referendum by actual voting at a general or special election as provided in Section 8 hereinabove, a written or printed notice of the date, place, time, and proposed amendment or a summary of changes to be effected by the business at hand shall be given at least three weeks prior to the date of the vote to each member of record entitled to vote by electronic message transmission to an electronic message address provided by the member for the purpose of receiving notice, and by posting on all ISGH media outlets.
