## Vision for Islam & ISGH

## Profile / Personal

**Established in 1969, ISGH is one of the largest and most influential Muslim organizations in the USA,** serving across Greater Houston through its extensive network of masajid, schools, and community programs, and stewarding an annual budget exceeding \$20 million—an operation that now requires strong corporate-level leadership to ensure transparency, efficiency, and sustained community impact.

### Engage & Empower

Strengthen communication, support youth and families, and ensure **everyone** feels welcomed, valued, and heard.

### Elevate Islam Through ISGH & Community Partnerships

Promote Islamic values by collaborating with ISGH leadership and partner organizations to expand services, unity, and community impact.

### Bring Transparency & Operational Excellence

Introduce clear processes, accountability, and corporate-level operational efficiency to improve trust and decision-making.

### Empower Youth & Sisters

Actively engage, mentor, and elevate more youth and sisters into meaningful leadership roles across ISGH.

### Strengthen ISGH Leadership

Attract sincere, service-minded Muslims with strong corporate, governance, and professional experience to uplift ISGH's future.
